Sections of the Common DOC Medical Chart:

- Problem list: List of significant medical conditions.
- Patient Care Plans: Standard care plans for specific medical conditions. (If known, identify specific medical conditions on your cover letter.)
- Data Base: Physical examinations, immunization records, TB test results.
- Progress Notes: Hand-written nursing notes, assessments, encounters and on-call consultations.
- Consultations:
- Offsite Service Request and Report (DOC 3001 form used to initiate offsite visit)
- ER Discharge Summary
- All documents and forms
- Psychiatric: Psychiatric Reports and Psychiatric Progress notes. (This does NOT include psychological records.)
- Laboratory Results: Lab reports resulting from blood, urine, stool, or tissue tests.
- Medical Imaging (x-rays, ultrasounds, EEGs and EKGs, MRIs, etc...).
- Medications: Primarily consists of Patient Medication Profile and Discharge Medication Request.

Sections of the Psychological Services Unit Record:

- Psychological Reports: Mostly psychological evaluations, test results and documents from a Division of Juvenile Corrections stay.
- Referrals/Screenings/Contact: Main reports completed by psychologists for every visit by the client.
- Observation/Restraint/Segregation Reviews: Documents related to placement in observation, segregation and use of restraints.
- SOT/CH.980: Records relating to Sex Offender Treatment and 980 proceedings.
- AODA Envelope: Documents pertaining to a client's participation in an AODA treatment program.
